Studio 20ft

Tiny Home, Portable Home, Relocatable Unit

From **\$23,900**

0-1

0-1

0-1

Designed for simplicity and ease, the Studio is ideal for use as a private guest retreat, home office, or compact living solution. With no expanding sections required, it's move-in ready and surprisingly spacious inside. A smart mix of practicality and comfort at an unbeatable price point.

Why Choose the Studio?

Smart, Ready-to-Go Design

Built with convenience in mind, the Studio comes fully pre-assembled. Simply place it on site and connect to services for a fast, hassle-free setup. No unfolding necessary.

Complete Living Experience

The Studio comes fully equipped with essential amenities, including a functional kitchenette, bathroom, and living space, offering everything you need in a compact design.

Versatile Living Space

The Studio is a flexible solution for a variety of uses, from a home office to a guest retreat.
